FREQUENTLY ASKED QUESTIONS - PARADEHUSET

1. What is the story behind Paradehuset?
What is the story behind Paradehuset?
When Bernstorff Castle Garden was laid out in the 1760s, there were originally many greenhouses in the garden.
Today, only three remain, of which Paradehuset is the largest. The parade house was built under Christian IX, who ruled from 1863 to 1906, and it was originally intended as a wine house. Over the years, the house has been known as both the Tomato House, the Rose House and the Peach House, and today it is called the Parade House.
The decor is rustic and unpretentious with long tables and benches and a view of both sky and garden through the many glass panes that create a special atmosphere. The house is leased by Chaya and rented out for private events and parties.

2. When can the Paradehuset be rented?
The parade house is rented every day during the summer season from mid-May to mid-October. The parade house is used for storing the garden's plants in the winter and therefore cannot be rented out of season. The first and last day of the rental season may vary from year to year, as it depends on the weather and wind.

Weekdays: DKK 6,500.
Friday: DKK 14,500.
